

## Erratum

This is a correction for the article **Prevalence of Depression, Anxiety and Stress among Patients Discharged from Critical Care Units**, published by Mohammad Saeidi, et al. in The Journal of Critical Care Medicine 2021;7(2):113-122, DOI: 10.2478/jccm-2021-0012.

The authors two errors in the text of our article with the following specifications, marked in italics:

1. Page 114: in methods

Samples were chosen using a non-probability sampling method from June 5 to December 30, 2014.

2. Page 115: in methods

There were twenty-one questions in total.

- Questions 18,14,12,11,8,6,1 related to stress
- Questions 21,17,16,13,10,5,3 related to depression
- Questions 20,19,15,9,7,4,2 related to anxiety

This will not affect the information presented in the manuscript, nor the conclusions.
